

Farm Shop

Rectory Farm, Waterperry

Grant: £65,710 (40%)

Farmers William and Lois were awarded a grant to install a new shop on their farm from which they now sell their own beef and lamb as well as other locally sourced products.

The farm shop will add value to their meat, increase profits and help to support the sustainability of the farm as well as reduce food miles.

As part of their offer the shop has a kitchen to make high quality ready-meals made from local produce. The shop opened in April 2018 and has created four jobs already!

Priority: (2) Support micro and small businesses and farm diversification

Outputs over 3 years: 4 full-time jobs, increase in wage bill of £127,000
