

Barn Conversion – Rural Offices Watlington

Grant: £33,144 (40%)

A grant was awarded to a farm based near Watlington for the conversion of a redundant cattle shed barn into a commercial office space.

The rental income will help support the sustainability of the farm and its on-going arable operations. It will also benefit local businesses by offering office space which is much in demand locally.

The building works are underway and due to be completed at the end of 2018.

***Priority:** (2) Support micro and small businesses and farm diversification*

***Outputs over 3 years:** Increase in annual income through rent; local businesses supported through available office space.*
