

Training Centre Sylva Foundation

Grant: £51,764 (40%)

Sylva Foundation is an environmental charity working across Britain to care for forests, ensuring they thrive for people and for nature.

Sylva were awarded a grant from LEADER to build a training centre for courses and training in crafts associated with wood. The facility is also used for seminars and events for the wood community.

The project will support Sylva Foundation to become more sustainable by bringing in an annual income from the courses and events. It will also create one job for a trainer and centre co-ordinator.

The centre opened in November 2018.

Priority: (2) *Support micro and small businesses and farm diversification*

Outputs over 3 years: *1 FTE, Increase in turnover*
