

# Training Cycle Park, Faringdon

## Farcycles

**Grant: £42,354 (90%)**

Farcycles is a voluntary cycle group based in Faringdon that promotes cycling for all. A grant from LEADER has enabled them to build a training cycle park, free to the whole community.

The aim of the park is to support children and vulnerable adults to be confident cyclists. This will promote healthier living, less traffic and community cohesion. It is a pioneering project, with very few facilities like this found elsewhere in the country. The park opened in July 2019.

**Priority:** (4) *Provide rural services*
