

The Dutch Barn, Bourton Stainswick Farm

Grant: £69,395 (40%)

Stainswick Farm received a grant to convert a disused barn into a holiday let.

The barn is situated in the picturesque village of Bourton and aims to encourage tourists to the area, promoting the Ridgeway and surrounding area for walkers, dog owners and cyclists. The holiday let opened in July 2019.

As well as bringing more visitors to the area, the project will diversify Stainswick Farm activities and help secure its long-term viability.

Priority: (3) Support for rural tourism

Outputs over 3 years: 1,341 overnight visitors & creation of a part-time job
